Favorable reconsideration of this application, as now presently amended, is respectfully

requested.

Claims 15-21, and 23 have been canceled. Claims 1-14, and 24-50 have been previously

canceled. Claim 22 has been amended. Claim 22 is active in the application.

Applicants acknowledge that Claim 22 contains allowable subject matter and would be

allowable if rewritten in independent form including all of the limitations of the base claim and

any intervening claims.

Applicants have re-written Claim 22 so as to generally include all of the features of the

base claim and any intervening claims. Therefore, Applicants believe that amended Claim 22 is

allowable.

The above changes to the claims are self-evident from the original disclosure; thus, no

new matter has been introduced, and no new issues have been raised.
